

# Ibrahim Gul

## Mechanical Engineering Student

Kamra Air Base, Pakistan | [ibrahimgul5314@gmail.com](mailto:ibrahimgul5314@gmail.com) | +92 3209962058 | [www.linkedin.com/in/ibrahimgul5314](https://www.linkedin.com/in/ibrahimgul5314)

### Summary

Motivated Mechanical Engineering student, currently in the 6th semester, with practical experience in CAD modeling, mechanical design, aircraft maintenance, and engineering project development. Proficient in SOLIDWORKS, AutoCAD, PTC Creo, and engineering simulation, with hands-on exposure to manufacturing practices and aviation maintenance operations. Demonstrated leadership and teamwork through national-level engineering competitions, technical projects, and internships. Seeking an internship opportunity to further enhance technical expertise and contribute effectively in mechanical design, manufacturing, and project engineering environments.

### Internships Experience

#### Aircraft Maintenance Trainee Engineer Peshawar Flying Club

Sep 2025 – Oct 2025  
Peshawar, Pakistan

- Assisted in aircraft inspection, servicing, and maintenance operations.
- Worked alongside engineers on piston, multi-engine, and jet engine systems.
- Gained understanding of aircraft systems, engine operations, and aviation safety.
- Performed maintenance exposure on the following aircraft:
  - Cessna R172K Skyhawk (AP-BAP)
  - Cessna 150 (AP-AZT)
  - Cessna 150 (AP-BAX)
  - Piper Aztec PA23-250 (AP-BKT)

#### Mechanical Design Internship

##### Al-Akbari Houses Builders & Developers

Jul 2025 – Aug 2025  
Lahore, Pakistan

- Developed 50+ 2D and 3D CAD models using SOLIDWORKS for engineering and construction applications.
- Created accurate 2D drawings and layout plans for residential and site development projects using AutoCAD.
- Performed basic design simulations in SOLIDWORKS to evaluate strength, performance, and feasibility of components.
- Supported engineering team in design development, drafting, and project-based technical tasks.

### Education

**Bachelor's in Mechanical Engineering**  
**University of Engineering & Technology, Peshawar**  
2023 – 2027 Peshawar, Pakistan

CGPA  
**3.23** / 4.00

**Intermediate in Pre-Engineering**  
**Cadet College Razmak**  
2021 – 2023 NWA, Pakistan

Marks  
**917**/1100

### MEMBERSHIPS & AFFILIATIONS

#### Campus Ambassador

##### North Tunisia SOLIDWORKS User Group

- Organized and facilitated online training sessions for professionals and students across Pakistan.
- Promoted technical workshops and engineering design concepts in SOLIDWORKS.

#### Student Member

##### ASME

- Actively participated in scientific and technological initiatives.
- Engaged in student-led activities, engineering discussions, and knowledge sharing platforms.

### Skills

CSWA Certified | SOLIDWORKS | Creo Parametric | AutoCAD | MS Office | Decision Making | Responsible | Self Learning

### COMPETITIONS PARTICIPATED

#### Team Captain – RC Aircraft NDBFC'19 (GIKI) 2025

- Led the design and development of a remote-controlled aircraft focused on structural design and flight integration.
- Applied aerodynamics principles and CAD modeling techniques.
- Worked on lightweight structural design and flight stability optimization.
- Gained practical understanding of manufacturing processes and teamwork.

#### Team Captain – Student Design Competition (SDC) ASME EFX 2026

- Led a multidisciplinary student team in designing and developing a remotely operated waste collection device.
- Performed complete mechanical design and 3D CAD modeling using SOLIDWORKS.
- Ensured compliance with road-width constraints of 10–18 cm.
- Gained hands-on experience in mechanical design, robotics, automation, and engineering problem solving.
